## By A.P.O.

### Description / Descripción

The Wallace collection consists of a sofa, available in several sizes, and an armchair, with configurable armrests that facilitate different uses, more or less formal, according to the moment. The frames are made of reinforced flanders pine wood, suspension by means of high-quality belts and filling made of polyurethane foam with different densities, covered by a duvet filled with goose feathers and micro fibres.

**ES//** La colección Wallace se compone de sofá en varias medidas y butaca, con brazos configurables que facilitan diversos usos, más o menos formales, según el momento. Está realizada con estructuras de madera de pino Flandes reforzada, suspensión mediante cinchas de alta calidad y relleno de espuma de poliuretano con varias densidades, cubierto por edredón de plumas de oca y microfibras.

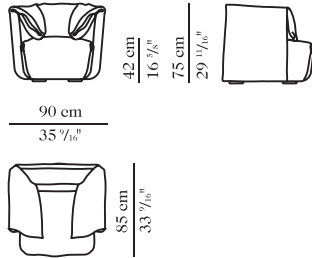

### Production Process / Proceso Producción

Frame made of reinforced flanders pine wood; suspension by means of high-quality elastic belts, both in seat and back. Monoblock upholstery in CFC-free polyurethane foam with different densities, covered by a duvet filled with goose feathers and micro fibres. Removable upholstery, except leather.

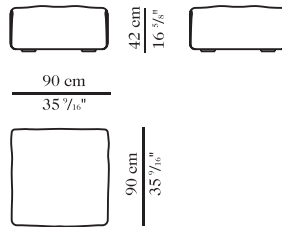

**ES//** Estructura de madera de pino flandes reforzada; suspensión mediante cinchas elásticas de alta calidad tanto en asiento como en respaldo. Tapizado mono – bloque realizado en espuma de poliuretano libre de CFC y varias densidades, cubiertas por edredón de plumas de oca y micro fibras. Tapizado desenfundable, excepto piel.
