GENERAL DESCRIPTION

Lineal wall coat rack. Its design allows several racks to be placed together.

DIMENSIONS

MODELS

Single model.

MATERIALS AND FINISHES

Body made from beech plywood. Available in different finishes: lacquered in white RAL 9002, green RAL 534, grey RAL 405 or Bordeaux RAL 1815, or natural oak or walnut. With the lacquered racks, the last layer is 2.5 mm thick MDF, while with the oak and walnut racks the last layer is 1 mm thick natural wood. The parts used to attach the rack to the wall are made from zinc-coated steel. Comes supplied with the pieces required to fix the rack to the wall.

PACKAGING, WEIGHT AND VOLUME
