

SUAVE PLANTER Ø42x65 cm

By MARCEL

"Transforming outdoor spaces into true oasis, with the unique purpose of drawing people together and celebrating life" - Marcel Wanders.

With the Suave collection, VONDOM introduces a new incredibly resistant production method - injected polyurethane- and challenges a decade of production methods that placed the company in the roadmap of international design furniture.

Pieces in the collection include a modular sofa, puff in five different sizes and stylish planters, available in three different sizes. Overall, new textures and delicate fabrics reflect the sensuality, warmth and poetry of Marcel Wanders. "We selected calm, sensual and appeasing colors to create a welcoming, iconic environment that becomes a place to be." Gabriele Chiave, creative director at Marcel Wanders, says.
