

MARI-SOL Table base

h:105cm

By Eugeni Quitllet

MARI-SOL, a table that combines technology in its function with sensuality in its shape. The answer for adorning terraces around the world. The table withstands the weather, the sea and the sun. It has different dimensions which allow it to adapt to any environment. It is collapsible, which makes it practical and ideal for interior or exterior places.

Description

Extruded aluminum tube with cast aluminum base coated with epoxy baked painting. Item suitable for indoor and outdoor use. Table top not included.
