

Básica Mínima Batería

Santiago Roqueta, Santa & Cole Team. 2021
Table Lamps

The Básica family has a new member, Básica Mínima Batería. An adaptation that proves itself portable, light, and practical. Like its original version, the cylindrical structure is made of birch wood and has two options of shade: pleated natural parchment and ribbon-stitched, both hand-assembled. The portability of Básica Mínima Batería is given in its circular base, finished in graphite, which by slightly pressing on it turns the lamps on and off.

Básica Mínima Batería maintains the essence of its wired version defending the most artisan modernity. Now with the practicality provided by the battery.
